WELCOME TO THE BAER MIRIAM FAMILY

Scan to visit our website and learn more about Baer Miriam!

Baer Miriam is a girls' seminary located in Yerushalayim, in the neighborhood of Har Nof.

Our goal is to cultivate in our students a love of Torah, Eretz Yisrael, and Am Yisrael. We provide the tools for independent learning and the foundation for a lifelong pursuit of authentic Judaism and spiritual growth.

Central to our approach is the concept of "חנוך לנערה על פי דרכה," or "educate each student according to their way." To that effect, we take care to provide tremendous personal attention to each and every student.

The dedication of our teachers, the diverse range of classes, and the growth-oriented atmosphere all combine to create an unparalleled learning experience.

CLASSES

Everything we do at Baer Miriam is directed towards a singular goal - to enable you to learn and grow on your own after you leave our seminary walls.

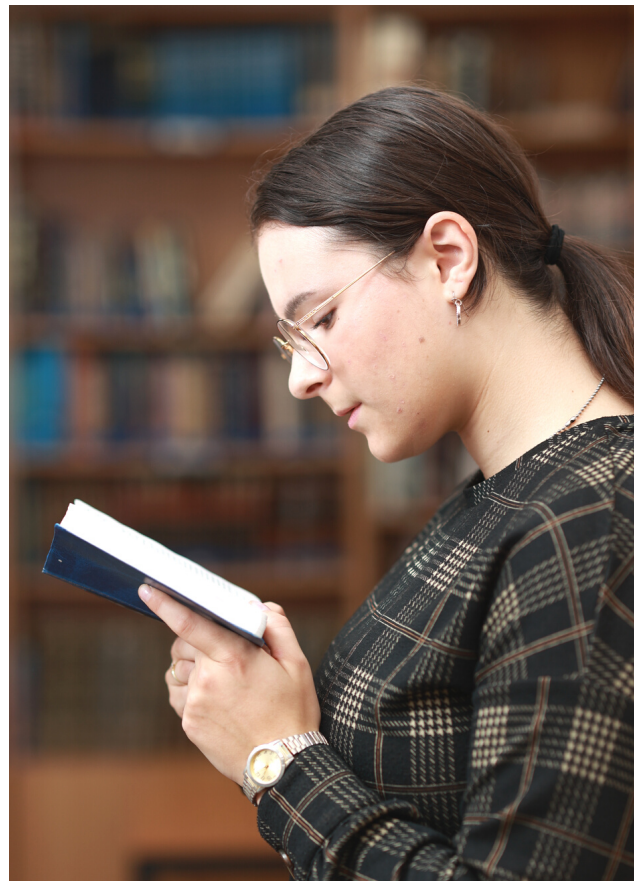

TAILORED TO FIT YOU

Baer Miriam boasts a diverse range of classes, from text-based Tanach discourses, to class-wide discussions about Hashkafa and Halacha, to inspirational schmoozes about self-esteem and personal growth. We encourage the girls to ask questions and challenge them to look for the answers.

We sit with each and every girl to make sure they're happy with what they're learning - and if not, we adjust our schedule accordingly. After all, it's YOUR year in Israel, not ours!

TIYULIM

Falling in love with the Land of Israel is crucial to the Shana Ba'Aretz experience! We take our girls to see all corners of Eretz Yisrael, from the Golan to Eilat, from Chevron to Tzfat, and everywhere in between!

WARMTH. PERSONIFIED.

OUR DORMS NEVER CLOSE

Not on Shabbat, not on Yom Tov, & not during vacation. If you need Shabbat or Chag meals, we'll provide them, either in the Seminary or by families around the neighborhood, including our amazing staff.

FOUR (!) EM BAYITS

We have four Em Bayits - "Mothers of the House" - and a team of Madrichot who go around taking care of our girls on a daily basis. From happy birthday cakes to chicken soup for a cold to letting them sleep over when they're sick, our staff is literally there for our girls at all hours of the day.

LOTS OF ON- CAMPUS STAFF

We have over ten staff members who live in the neighborhood, including the Principal, the Assistant Director, and the Em Bayits, who have our girls over at their homes all the time.

FULLY-FURNISHED APARTMENTS

Our dorms consist of fully-furnished apartments. No need to go buy a plastic shoe rack, or extra storage for the kitchen. We'll even take you to get something to make it feel more personal and homey.

WARMTH GROWTH

One of Baer Miriam's calling cards is its warmth. The dedication of our staff and the warm, homey feel and atmosphere that permeates the entire school allows our students to learn and grow in a comfortable but serious atmosphere.

HEART IS HAPPY"**

עבודה זרה יט.

The goal of our chessed program is to help our students take what they have learned and act upon it. It gives them a chance to contribute to the community, and to develop relationships with local Israeli (and often American) families.

Our students have many choices as to where to do their chessed: as a volunteer in an organization or social service, in a hospital, working with disadvantaged youth or disabled children, organizing food packages for Shabbat, working with needy families, and others. But regardless of choice, the experience of doing chessed makes an indelible impression that remains for a lifetime.

DORM LIFE

Placing our dorms in gorgeous Har Nof apartments allows for our girls to live amongst the people of Yerushalayim.

Each of our apartments are equipped with a dairy kitchen and a living room, along with full bathrooms and bedrooms. Our bedrooms and living rooms are air-conditioned, heated, and furnished to make your "home away from home" cozy and comfortable.
