ASHREINU

An Innovative
Yeshiva Combining:

- *Dynamic Torah Study*
- *Meaningful Chessed*
- *Challenging Tiyulim*

DYNAMIC TORAH STUDY

מה טוב חלקינו

How Good is Our Portion...

Ashreinu's Torah Study curriculum is well rounded and designed to immerse students in the areas of Torah most relevant to their daily lives. Students are encouraged to challenge, probe, and question. Our Rebbeim

help nurture a love of Torah in our students, while giving them a deeper understanding of our religion. With an average of 7 students per class, our students receive individual guidance from a diverse staff of Rebbeim.

MEANINGFUL CHESSED

ומה נעים גורלנו

How Pleasant is Our Lot...

The natural progression of our learning leads us to our Chessed Program - "הלומד על מנת לעשות" - Putting our learning into practice. In addition to a weekly group Chessed trip, students design their bi-weekly individual

chessed internships based on their personal interests and talents. Through this empowering experience, students have the opportunity to develop themselves, give back to others and to create a Kiddush Hashem.

CHALLENGING TIYULIM

ומה יפה ירושתינו

How Beautiful is Our Heritage.

Our weekly Tiyulim are an integral part of our yeshiva. There is no better way to appreciate the beauty of Israel—while expanding your knowledge of Jewish History— than by hiking, riding, climbing, and

swimming across the country. We transform our Land—from the deserts of the South to the mountains in the North—into our classroom.

At Ashreinu, we don't just learn about our heritage, we live it.

OUR MISSION

אשרינו

How Fortunate We Are...

To instill in our students a lifelong love and commitment to Torah, Am Yisrael, and Eretz Yisrael. We accomplish this through our unique curriculum that combines dynamic Torah study, meaningful chessed internships, and

intensive and educational Tiyulim. Ashreinu provides a warm and caring environment where our energetic, knowledgeable, and relatable staff is dedicated to the development and growth of each and every student.

THE ASHREINU FAMILY

When you join Ashreinu, you join a family. Our students come from all over North America and the UK, with half of our student body coming from outside the N.Y./N.J. area. While they may come in as

"strangers", they leave as brothers. After Ashreinu, wherever life takes you, your Rebbeim will always be there for you.

*Come to Ashreinu for a year;
make relationships for a lifetime.*
