**BAER MIRIAM**

YOUR HOME AWAY FROM HOME

# YOUR HOME AWAY FROM HOME

Baer Miriam is a girls' seminary located in the outskirts of Yerushalayim, in the neighborhood of Har Nof.

Our goal is to cultivate in our students a love of Torah, Eretz Yisrael, and Am Yisrael. We provide the tools for learning and the foundation for a lifelong pursuit of authentic Judaism and spiritual growth.

Central to our approach is the concept of "chanoch l'na'ar al pi dalko," or "Educate each student according to their way." To that effect, we take care to provide tremendous personal attention to each and every student.

The personal involvement of our teachers, the classes tailored to what our students want, and the overall homey atmosphere combine to create an unparalleled learning experience.

THE TEACHERS HERE  
ARE SO WARM, SO  
WELCOMING... I'M  
NEVER AFRAID TO  
ASK A QUESTION.

## WARMTH GROWTH

Baer Miriam's calling card is its warmth. The dedication of our staff and the warm, homey atmosphere that encapsulates the entire school allows our students to learn and grow in a relaxed but serious atmosphere.

Our students stay in lovely apartments in Har Nof, instead of in a dorm setting, to amplify the feeling of being "at home." In addition, all meals are prepared by an on-campus chef, to ensure the food is warm, fresh, and delicious.

LEARN IN A PLACE  
WHERE HIS HEART  
IS HAPPY"**

# TIYULIM

Falling in love with Eretz Yisrael is crucial to the Shana Ba'Aretz experience! We take our girls to see all corners of the Holy Land, from the Golan to Eilat, from Chevron to Tzfat, and everywhere in between!

# TAILORED TO FIT YOU

We strongly believe that every student should have a schedule that fits her needs and wants. We sit with each and every student to make sure they're happy with what they're learning - and if they're not, we adjust our schedule accordingly.

After all, it's YOUR year in Israel, not ours!

# DORM LIFE

# DORM LIFE

Placing our dorms in gorgeous Har Nof apartments allows for our girls to live amongst the people of Yerushalayim. Each of our apartments are equipped with a dairy kitchen and a living room, along with full bathrooms and bedrooms. Our bedrooms and living rooms are air-conditioned, heated, and furnished to make your "home away from home" cozy and comfortable.

Being based in Har Nof is the perfect location. We are just one bus ride away from the center of Jerusalem, which gives our girls easy access to the fun places of Jerusalem such as the Shuk, the Old City, and all of the shops on Ben Yehuda.

THE VIEW FROM SEM

The goal of our chessed program is to help our students take what they have learned and act upon it. It gives them a chance to contribute to the community, and to develop relationships with local Israeli (and often American) families.

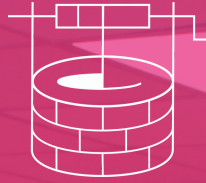

Our students have many choices as to where to do their chessed: as a volunteer in an organization or social service, in a hospital, working with disadvantaged youth or disabled children, organizing food packages for Shabbat, working with needy families, and others. But regardless of choice, the experience of doing chessed makes an indelible impression that remains for a lifetime.
