YOU'RE LOOKING TO GROW, BUT WONDERING HOW?

We at **Mevaseret** are here to unleash the greatness within you, through connection to Torah, Rebbeim, and yourself. **It's about digging deeper, accessing your truest self, and becoming the you of your dreams.**

At **Mevaseret** we do more than lecture. We build! Featuring a hybrid collection of Shiurim and topics, we invite you to partake of a full array of Yahadut studies. Ranging from advanced classes in Talmud, Nach, and Halacha, to Jewish thought, Chassidut, and Tefilah, we engage the mind as well as the heart. **Our profound Torah concepts, funneled through the warmth, dedication, and commitment of your dynamic Rebbeim, will penetrate your being and transform your core.** Challenging and encouraging you throughout, **YOUR** most authentic self is cultivated to strive and succeed.

Students hailing from all over North America blend together each year, shaping the Mevaseret environment and creating a family. The bonds that are forged lend a strong sense of camaraderie and unity to the overall Israel experience. Share the journey, mature together, and gain everlasting friendships for life.

Located in Mevaseret Zion, a picturesque suburb of Jerusalem, our setting allows for easy access to everything the Holy City provides, yet also provides a comfortable distance ideal for focus and space. Facilities feature a large campus replete with a music room, state-of-the-art workout facility, basketball court, and renovated dorms. Catered American-style wholesome meals served daily.

DIG DEEPER CONNECT

B E C O M E

Your Rebbeim are available with open homes and hearts, at any and every hour, to hear you, guide you, and support you. Not a Shabbat goes by without Talmidim spending time at the homes of their Rebbeim, becoming a part of the family. Capitalize on that, because here at **Mevaseret**, the Rebbeim you connect with become your Rebbeim for life.

Mevaseret Sephardi Program

Our Sephardi program is centered around giving the students deep exposure to the profound spirituality of our unique and distinctive Sephardic heritage. Students have the opportunity to meet and spend time with Sephardi Gedolim, tap into Sephardi tefilot and niggunim, and learn the Torah of our rich Sephardic mesorah. All of this is accomplished in the warmest of environments imaginable.

What makes Mevaseret special to me is the unique connection each student develops with the Rebbeim. I could tell from day one that they all cared deeply about my success in Yeshiva.

Noah Kimmel,
Texas Torah Institute

Mevaseret has given me a place and opportunity to concentrate on my learning and have filled my days with exciting and challenging shiurim and activities. All throughout the challenges of 2020, Mevaseret took great care of us and found creative ways to make the Yeshivah experience amazing and fun.

Nate Cukor,
The Frisch School

"The Rebbeim in Mevaseret are always here for you, to guide you in making the best decisions for yourself."

Moshe Heller
JEC
Hillside

The best part of Mevaseret is the chevra. Since I have been here in Mevs, I have come to realize that the chevra here is incredible. The guys are very motivated, and have been making this year the best year I can have. Every Rebbi cares about every student and wants him to grow to become the best person they can be. No one falls to the cracks at Mevs.

Avi Cohen, DRS

Mevaseret has truly been a family for me. Whether in shiur, on tiyulim, or the basketball courts, kesharim are being built that will last a lifetime.

Ikey Gutlove,
MTA

Mevaseret is a warm and welcoming place, balancing each student's needs and interests in and out of the shiur room. With constantly available rebbeim and an amazing group of guys, it's easy to find your niche at Mevaseret.

Aaron Gross,
Katz Yeshiva High School
of South Florida

The Rebbeim and the talmidim have an incredible connection that is apparent from day one. Whether you're in their shiur or not everybody knows everybody.

Ving Levy,
TABC

"At Mevaseret, each student gets a tailored learning schedule, balancing his needs and interests. The Rebbeim are always caring and available to the students."
